

Volunteer Information

Putting on any music festival requires the committed effort of many creative individuals who love music and who love the community engendered by such efforts. Volunteers will play a very important role in the smooth running of the festival. They will set the stage for festivarrians to co-create the event with the bands and promoters. They will dress up this picturesque site into a radiant and colorful display of our shared love for music. They will receive attendees, direct them to the parking lots, take tickets, smile and spread positivity. Volunteers will help build solar lighting systems, direct handicap, hang decorations, post banners, paint signs... And then, after the festival, volunteers will help return the site to the state it was in before the festival.

In return, a volunteer will receive a free 2 day festival pass.

That being said, we will expect our volunteers to:

1. Commit to 8 hours of work before, during or after the festival, slated for September 27th & 28th, 2008!
2. Purchase a two day pass (\$80.00), which will be reimbursed to all volunteers who complete their shifts. To purchase your pass, you must check the website for the current ticket value and send your check in that value to the address below. The ticket price will be \$80.00. It's better to get your Volunteer stuff in sooner than later; you a will get a better chance at getting the shift you want.

Mail to: **Volunteers!**
Tatanka Music Festival
40th Parallel Productions L.L.C.
1790 30th Street Suite 316
Boulder, CO 80301

3. Please include a 3x5 index card with:
 - Your full name
 - Your contact information; telephone, email, mailing address
 - Any history of Festival volunteering and what you were responsible for
 - Your preferred commitment: 8 hours before, during or after the festival; though we can not guarantee that you will be assigned what you ask for

In September, we will be assigning posts and timelines regarding the setup, maintenance, and takedown hours necessary to "leave no trace" and respect the owners of the festival site and their many gracious neighbors who will be in attendance. We will have two orientation meetings around September 15th and you will be required to go to at least one of these meetings.

Thank YOU for your help in making this one of the best festivals of the summer!
